SUPPLEMENTAL REPLY

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Further to the Reply filed November 27, 2002, in complete response to the Official Action mailed August 27, 2002, Applicants submit the following supplemental remarks.

Submitted herewith is an Information Disclosure Statement containing 22 references. These references are submitted in support of Applicants' arguments concerning the rejection of Claim 15 under 35 U.S.C. § 112, first paragraph. These references clearly support Applicants' position that alopecia is indeed a preventable condition, contrary to the Examiner's position in the most recent Official Action. Accordingly, withdrawal of this rejection is respectfully requested.

From the foregoing, further and favorable action in the form of a Notice of Allowance is respectfully requested and such action is earnestly solicited.

In the event that there are any questions concerning this amendment or the application in general, the Examiner is respectfully requested to telephone the undersigned so that prosecution of the application may be expedited.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
